

Department of Life Science & Biotechnology
JADAVPUR UNIVERSITY

188 Raja S. C. Mullick Road, Kolkata - 700 032, West Bengal, India.

Date: 05/01/2022

Sub: Letter of Recommendation

To Whom It May Concern:

This letter is to certify that **Anusa Ganguly** has done an internship under my supervision in the Department of Life Science & Biotechnology at Jadavpur University, Kolkata. She was well acquainted in couple of skilled cell & molecular biology techniques including DNA & RNA isolation, gel electrophoresis, animal cell culture, MTT assay, protein purification from cultured cell, Real time PCR and immunofluorescence imaging within a very short span of time during this COVID pandemic situation. She always asked intelligent scientific questions and clearly explained the experimental data figure with thorough understanding of the science behind it. She was also very punctual and dedicated to her work during her stay at Jadavpur University, Kolkata.

I wish Anusa all the success in her future endeavour.

Please feel free to e-mail (arunimasengupta2013@gmail.com) or call (+ 91 98309 33775) me with any other question or doubt.

Best,

Dr. Arunima Sengupta, PhD
Assistant Professor
Dept of Life Sc. & Biotechnology
Jadavpur University
Kolkata 32
